

Helping nonprofits achieve their missions

Microsoft Tech for Social Impact is dedicated to providing responsible, affordable, and accessible technology and tools to help nonprofits of all sizes achieve their missions. That's why we offer grants and discounts on our products and services to eligible nonprofits around the world, including cloud and AI-powered solutions like Azure, Dynamics 365, and Microsoft 365.

HOW TO TAKE ADVANTAGE OF NONPROFIT OFFERS

- 1 Register** Complete the [registration form](#) at [aka.ms/NonprofitGetStarted](#) and provide proof of your organization's [eligibility](#). (See what [documentation is required](#) for your country.)
- 2 Eligibility validation** We will verify your organization's eligibility. Our partner, TechSoup (or their local partner), may contact you for additional information.
- 3 Eligibility notification** Most organizations will receive an email with their eligibility results within ten (10) business days.
- 4 Access products and services** If your organization is eligible, you'll receive an email with a link to the [Microsoft Nonprofit Hub](#), where you can take advantage of our nonprofit grants and discounts.

Questions? Review our [Frequently Asked Questions](#) or contact us at [aka.ms/NGOSupportForm](#).
